***RE: Comments of SouthEast Telephone, Inc. Concerning the Informal Conference
Memorandum Dated September 25, 2008, in Case No. 2008-00279***

Dear Ms. Stumbo:

Thank you for the opportunity to comment on the Informal Conference Memorandum filed in the above-referenced case on September 25, 2008. SouthEast Telephone, Inc. ("SouthEast") offers the following clarification of its position as discussed in the first paragraph of the memorandum: SouthEast believes the matter before the Commission is resolved only to the extent that BellSouth Telecommunications, Inc. d/b/a AT&T Kentucky ("AT&T") appears no longer to dispute SouthEast's legal right to obtain commingled elements. SouthEast does not believe that matter before the Commission will be resolved, however, until AT&T is actually providing the commingled elements that are the subject of this case. SouthEast therefore reiterates its request that the Commission retain this action on its docket until actual relief is obtained by SouthEast.

Thank you again for this opportunity to provide comment.

Sincerely yours,

Deborah T. Eversole
